Skills

Programming Languages: C, C++, Java

Core Subjects: DBMS, OS, CN, DSA

Machine Learning Concepts: Supervised
and Unsupervised learning, classification, and
clustering

Technologies: Basics of AWS, DevOps, Cloud

Web Development: HTML, CSS

Education

B.Tech, CMR Engineering College   2022 – Present
CGPA: 9.44

Intermediate, SR Junior College Nizamabad   2020 – 2022
Percentage: 97.9%

School, TS Model School Kuntala   2010 – 2020
Percentage: 100%

Projects

To-Do List (HTML, CSS, JavaScript)
- Developed a simple task management web app using JavaScript for interactivity.
- Implemented local storage to save tasks persistently.

Weather App (JavaScript, API Integration)
- Created a weather forecast application using OpenWeatherMap API.
- Displayed real-time weather data for user-inputted locations.

Implement Conditional Access Policies (AWS IAM)
-Implemented conditional access policies using AWS IAM to manage user permissions and secure cloud resources effectively.

Music Player (JavaScript, HTML, CSS)
- Created a web-based music player with play, pause, and next/previous track features.
- Integrated audio controls and playlist functionality.

Certifications & Achievements

- **Udemy Web Development Bootcamp:** Completed the full-stack web development course on Udemy, mastering HTML, CSS, JavaScript, and basic frameworks.

- **Smart Coder Certification:** Awarded by SmartInterviews for excelling in Data Structures and Algorithms.

- **LeetCode Rating:** 1308 - Achieved this rating by solving daily challenges and participating in contests.

- **Academic Topper:** Certified by securing third position in academics.
